

Nominating Committee Report

The members of the 2025 Nominating Committee are Kaye Vinson as Chair, Glenn Garrett, and Sandi Rybicki.

The Nominating Committee's duty is to review the applications to see who is qualified and nominate a person for each vacancy.

In accordance with the requirements of the Neighborhood Credit Union bylaws, the Nominating Committee has reviewed and investigated the qualifying applications by persons interested in election to the board of directors of Neighborhood Credit Union.

Because of their extensive experience as Neighborhood Credit Union board members, the Nominating Committee feels the two incumbents are more than qualified. They have overseen the credit union's growth for a number of years and have provided excellent leadership. Therefore, we place the following names in nomination to succeed themselves: Dwayne Boozer and Randall (Randy) Till.
