ACCOUNT DISCLOSURES

Except as specifically described, the following disclosures apply to all of the accounts. All accounts described in this Truth-in-Savings Disclosure are share accounts.

1. RATE INFORMATION — The annual percentage yield is a percentage rate that reflects the total amount of dividends to be paid on an account based on the dividend rate and frequency of compounding for an annual period. For Regular Share, Looney Tunes Savings, and IRA Share accounts, the dividend rate and annual percentage yield may change quarterly as determined by the Credit Union's Board of Directors. For Prize Savings, Christmas Club, Other Savings, Money Market, and Kasasa Cash accounts, the dividend rate and annual percentage yield may change weekly as determined by the Credit Union's Board of Directors. The dividend rates and annual percentage yields are the rates and yields as of the last dividend declaration date that is set forth in the Rate Schedule. Money Market and Kasasa Cash accounts are tiered rate accounts. The balance ranges and corresponding dividend rates and annual percentage yields applicable to each tier are disclosed in the Rate Schedule. For Money Market accounts, once a particular range is met, the dividend rate and annual percentage yield for that balance range will apply to the full balance of your account. For Kasasa Cash accounts, each dividend rate will apply only to that portion of the account balance within each balance range.

2. Kasasa Cash Account. The Kasasa Cash account is a Tiered Rate account. If your Average Daily Balance is \$50,000.00 or below and you meet all of the following minimum service requirements during the qualification cycle, the first Dividend Rate and Annual Percentage Yield listed for this account in the Rate Schedule will apply: 1) you have at least a combination of 15 debit card or credit card purchases, each \$5.00 or greater post and settle; 2) you have at least one (1) direct deposit or ACH auto debit post and settle; and 3) sign up and agree to receive e-statements and decline the option for paper statements. If your balance is greater than \$50,000.00 and you meet all the minimum service requirements, during the qualification cycle the second Dividend Rate and range of Annual Percentage Yield listed for this account will apply. Each rate will apply only to that portion of the account balance within each balance range. If you do not meet all of the minimum service requirements during a qualification cycle, the third Dividend Rate and

Annual Percentage Yield listed for this account will apply to the entire balance in the account. If you meet all the minimum service requirements during a qualification cycle domestic ATM withdrawal fees will be refunded. "Qualification Cycle" means a period beginning one day prior to the first day of the current statement cycle through one day prior to close of the statement cycle. Limit one account per household.

3. Kasasa Tunes Account. The Kasasa Tunes account provides refund credits for iTunes and/or Amazon purchases made using your Neighborhood Credit Union VISA debit card or VISA Platinum credit card. Upon the initial opening of a new account, you are eligible for \$25.00 in refund credits for iTunes and/or Amazon purchases made within 60 days of issuance. Each month including the account of opening, you are eligible for \$5.00 in iTunes and/or Amazon refund credits for purchases made within 30 days of issuance if: 1) you have at least a combination of 15 debit card or credit card purchases, each \$5.00 or greater post and settle; and 2) sign up and agree to receive e-statements and decline the option for paper statements. To qualify for Kasasa Tunes refund credits you must complete the transactions or actions in the qualification cycle. If you meet all of these minimum service requirements during a qualification cycle domestic ATM withdrawal fees will be refunded. iTunes and/or Amazon will be credited at the end of the month and will include applicable sales tax. The refund amount per cycle will be based on the amount granted from meeting prior month(s) eligibility requirements and the expiration period assigned and will be credited to your checking account. "Qualification Cycle" means a period beginning one day prior to the first day of the current statement cycle through one day prior to the close of the current statement cycle.

4. Choice Checking Account. The Choice Checking account is a fee-based account which provides for certain fee reductions. To qualify for Choice Checking fee reductions you must complete the following types of transactions or actions within the qualification cycle: 1) make signature based debit card transactions of \$5.00 or greater; and/or 2) sign up and agree to receive e-statements and decline the option for paper statements. You will receive a reduction in your monthly Service Charge each time you complete these transactions or actions. Please note that debit card transactions must be posted to your account and not just transacted. Some

transactions may take up to seven days to post. Qualifying transactions or actions completed during the qualification cycle will determine the amount of reduction to be applied against the Base Service Charge, with the net amount being charged to your account. Specific amounts for fee reductions are disclosed in the rate and fee schedule. Reduction amounts that exceed the Base Service Charge amount will result in a Service Charge of \$0.00 for the account. If no qualifying transactions or actions are completed during the qualification cycle, a Service Charge as disclosed in the rate and fee schedule will be assessed. There will not be any credit balances for completing more than the necessary transactions. "Qualification Cycle" means a period beginning one day prior to the first day of the current statement cycle through one day prior to the close of the current statement cycle.

5. NATURE OF DIVIDENDS — Dividends are paid from current income and available earnings after required transfers to reserves at the end of the dividend period.

6. DIVIDEND COMPOUNDING AND CREDITING — The compounding and crediting frequency of dividends and the dividend period applicable to each account are stated in the Rate Schedule. The dividend period is the period of time at the end of which an account earns dividend credit. The dividend period begins on the first calendar day of the period and ends on the last calendar day of the period.

7. ACCRUAL OF DIVIDENDS — For all earning accounts, dividends will begin to accrue on noncash deposits (e.g. checks) on the business day you make the deposit to your account. For Regular Share, Prize Savings, Looney Tunes Savings, Christmas Club, Other Savings, Money Market, IRA Share, and Kasasa Cash accounts, if you close your account before accrued dividends are credited, you will not receive the accrued dividends. However, for Christmas Club accounts, any accrued dividends will be paid if you close the account within seven (7) days of the date you open it.

8. BALANCE INFORMATION — To open any account, you must deposit or already have on deposit the minimum required share(s) in a Regular Share or Prize Savings account. Some accounts may have additional minimum opening deposit requirements. The minimum balance requirements applicable to each account are set forth in the Rate Schedule. For Regular Share and Prize

Savings accounts, there is a minimum average daily balance required to avoid a service fee for the dividend period. If the minimum average daily balance requirement is not met, you will be charged a service fee as stated in the Fee Schedule. For Money Market accounts, there is a minimum daily balance required to avoid a service fee for the dividend period. If the minimum daily balance requirement is not met during each day of the dividend period, you will be charged a service fee as stated in the Fee Schedule. For Regular Share, Prize Savings, Looney Tunes Savings, Christmas Club, Other Savings, and IRA Share accounts, there is a minimum average daily balance required to earn the annual percentage yield disclosed for the dividend period. If the minimum average daily balance requirement is not met, you will not earn the annual percentage yield stated in the Rate Schedule. For accounts using the average daily balance method as stated in the Rate Schedule, dividends are calculated by applying a periodic rate to the average daily balance in the account for the dividend period. The average daily balance is calculated by adding the principal in the account for each day of the period and dividing that figure by the number of days in the period. For accounts using the daily balance method as stated in the Rate Schedule dividends are calculated by applying a daily periodic rate to the principal in the account each day.

9. ACCOUNT LIMITATIONS — For Money Market and IRA Share accounts, you may make no more than six (6) transfers and withdrawals from your account to another account of yours or to a third party in any month by means of a preauthorized, automatic, or Internet transfer, by telephonic order or instruction, or by check, draft, debit card or similar order. If you exceed these limitations, your account may be subject to a fee or be closed. For Christmas Club accounts, the entire balance will be transferred to another account of yours on or after November 1 and the account will remain open. You may not make withdrawals from your account at any other time. If you wish to access the funds in your Christmas Club account, you may close it. If you close your account, you will forfeit all accrued, uncredited dividends. However, any accrued dividends will be paid if you close the account within seven (7) days of the date you open it. For Money Market accounts, the minimum amount any transfer or check withdrawal from your account is \$500.00. For Regular Share, Prize Savings, Looney Tunes Savings, and Other Savings accounts, you may make three (3) withdrawal(s) from your account each month. If you exceed this limitation, you will be charged a fee as disclosed in the Fee Schedule. For Regular

Savings, Prize Savings, IRA Share, and all checking accounts an additional fee for early closure will be charged, as disclosed in the fee schedule. For Fresh Start Checking, Kasasa Cash, Kasasa Tunes, and Choice Checking accounts, no account limitations apply.

10. FEES FOR OVERDRAWING ACCOUNTS — Fees for overdrawing your account may be imposed on each check, draft, item, ATM transaction and one-time debit card transaction (if member has consented to overdraft protection plan for ATM and one-time debit card transactions), preauthorized automatic debit, telephone initiated withdrawal or any other electronic withdrawal or transfer transaction that is drawn on an insufficient available account balance. The entire balance in your account may not be available for withdrawal, transfer or paying a check, draft or item. You may consult the Funds Availability Policy Disclosure for information regarding the availability of funds in your account. Fees for overdrawing your account may be imposed for each overdraft, regardless of whether we pay or return the draft, item or transaction. If we have approved an overdraft protection limit for your account, such fees may reduce your approved limit. Please refer to the Fee Schedule for current fee information.

For ATM and one-time debit card transactions, you must consent to the Credit Union's overdraft protection plan in order for the transaction amount to be covered under the plan. Without your consent, the Credit Union may not authorize and pay an overdraft resulting from these types of transactions. Services and fees for overdrafts are shown in the document the credit union uses to capture the member's opt-in choice for overdraft protection and the Schedule of Fees and Charges.

11. MEMBERSHIP — As a condition of membership, you must purchase and maintain the minimum required share(s) as set forth below.

Par Value of One Share	\$25.00
Number of Shares Required	1

12. RATES — The rates appearing with this Schedule are accurate as of the last dividend declaration date indicated on this Truth-in-Savings Disclosure. If you have any questions or require current rate information on your accounts, please call the Credit Union.

13. FEES — See separate fee schedule for a listing of fees and charges applicable to your account(s).
